Recorded Statement

Claim number:	C-1257
Statement of:	Gary Reyes
Taken by:	Christopher Wong
Date:	20 Oct 2024

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on the recording, but I understand you need it for the file.

Q: That's fine. For the record, can you tell me where and when the collision occurred?

A: It was in a parking lot in Baytown, Texas, in the afternoon. I had just pulled into a space near the store entrance.

Q: Can you describe what happened?

A: I was backing out of the space slowly. Another vehicle came down the aisle fast and cilpped the rear quarter panel of my car. It wasn't a big impact, but I felt it through the seat and my right knee hit the dashboard.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did you get out of the vehicle right away?

A: I did, but my knee was throbbing and I had trouble putting weight on it. A store employee helped me sit on a bench until the ambulance came.

Q: Have you seen a doctor since the accident?

A: Yes. They took X-rays and said there was swelling and a possible ligament strain. I've been given a brace and told to avoid stairs for a few weeks.

Q: Are you still experiencing pain?

A: Yes, mostly when I stand for long periods or climb steps. Some mornings it's stiff.

Q: Thank you. Is there anything else you'd like to add to your statement?

A: Only that I've been keeping my receipts and appointment records, and I'm willing to send them to you.

Q: Thank you. This cocnludes the statement.
