Claim Notes

Claim number:	C-1258
Claimant:	John Horn
Adjuster:	Alison Sweeney

13 Mar 2023 - Reviewed the first notice of loss for the left-turn collision. Insured reports the other vehicle struck the rear quarter panel while the insured was completing a left turn at an intersection. Police report requested. Photos of both vehicles received and saved to file.

15 Mar 2023 - Spoke with the insured by phone to confirm the sequence of events. Insured states the oncoming vehicle was approaching at speed and did not yield the right of way. Insured denies any distraction and says the turn signal was active. Recorded statement scheduled.

22 Mar 2023 - Received notice that the claimant is represented by counsel. All further contact with the claimant to go through the attorney of record. Letter of representation placed in file. Claimant's medical records requested under signed authorization from counsel.

29 Mar 2023 - Claimant's counsel submitted a demand package citing neck and back strain following the collision. Records show initial treatment at an urgent care facility, followed by physical therapy referral. Treating provider notes reduced range of moiton in the cervical and lumbar regions. Reviewing for consistency with the reported mechanism of imapct and prior treatment history.

5 Apr 2023 - Liability assessment in progress. Based on the police report and statements, the left-turning insured appears to bear primary responsibility, though comparative fault is still under review. Referred the bodily injury evaluation to the claims supervisor and set a follow-up to request an independent medical examination through counsel.

Recorded Statement

Claim number:	C-1258
Statement of:	John Horn
Taken by:	Alison Sweeney
Date:	11 Mar 2023

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not say my name on the recording, if that's all right. I can give you the details of the accident.

Q: That's fine. Can you describe where the accident happened?

A: It was at an intersection in Katy, Texas. I was turning left from a main road onto a side street, and the light had just turned yellow when I started through.

Q: What happened next?

A: A vehicle coming from the opposite direction hit the front driver's side of my car. I didn't see it coming in time. The impact spun my car partway around.

Q: Were you wearing your seatbelt?

A: Yes, I was. The airbags didn't deploy, but the belt caught me hard across the chest and shoulder.

Q: Did you feel any injuries right away?

A: Not at first. I was sore that evening, mostly in my neck and lower back. By the next morning, I could barely turn my head to check my mirror.

Q: Have you seen a doctor since the accident?

A: Yes, I went to urgent care the next day. They diagnosed a neck strain and a lower back strain and gave me muscle relaxers and a referral to physical therapy.

Q: Are you still experiencing symptoms?

A: Yes. Sitting for long periods makes my back worse, and I still have stiffness in my neck, especially in the mornings. I've missed some work because of it.

Q: Thank you. Is there anything else you'd like to add to your statement?

A: No, I think that covers it. I appreciate you taking the time to hear my account.
