Recorded Statement

Claim number:	C-1260
Statement of:	Shawn Castaneda

Date:	June 7, 2025

Q: Thanks for taking the time to sepak with me today. This recorded statement concerns the accident you reported. Can you confirm you're comfortable continuing on the recording?

A: Yes, that's fine.

Q: Please describe where you were and what you were doing when the collision happened.

A: I was driving on a two-lane road in Katy, Texas, heading toward a shopping center. It was a celar afternoon, and traffic was light.

Q: What direction were you traveling, and what happened next?

A: I was going straight. A vehicle coming the other way drifted into my lane and we collided head-on. I think we were both going maybe fifteen or twenty miles an hour, but I braked as hard as I could.

Q: Did your airbags deploy?

A: No, they didn't. The impact was more of a jolt than a crash, honestly.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: How are you feeling physically since the collision?

A: My neck is sitff and sore, especially when I turn my head to the left. My lower back aches too, and I've been taking over-the-counter pain relievers. I went to urgent care the same day and they diagnosed a neck and back strain.

Q: Have you had any prior neck or back problems?

A: No, nothing serious. I had some occasional stiffness years ago, but nothing that required treatment.

Q: Is there anything you'd like to add about the accident?

A: Just that I'm cooperating fully and I'd like to know what the next steps are for my claim.

Q: Thank you. That concludes the statement.
