Description of the accident (claimant's words)

I was seated in the front passenger seat when our vehicle was struck head-on at low speed in Pasadena, Texas. The impact was not severe, but my body jolted forwrad and my right arm hit the dashboard as I braced myself. Within minutes my wrist began to swell and I could not move my fingers comfortably. I was taken by ambulance to the nearest emergency department, where X-rays confirmed a fracture of my right wrist. The doctor placed me in a cast and advised me to avoid lifting or gripping for several weeks. I have been unable to work my usual shifts since the collision and have attended several follow-up appointments for physical therapy. I am submitting this statement to support my claim for medical expenses and lost wages resulting from the accident.
