Q: Good morning. This is the adjuster following up on the claim. This recorded statement is being taken for the file. Do you understand and consent to being recorded?

A: Yes, I understand.

Q: Please state your full name and the location where the collision happened.

A: I'll leave my name off for the record if that's fine. It happened on a two-lane road in Conroe, Texas, near a shopping center entrance.

Q: That's acceptable. Can you describe how the collision occurred?

A: I was heading east and slowing for the turn into the lot. The other car was coming toward me in my lane and swerved late. We hit nearly head-on, but it was a low-speed impact. I'd guess we were both going maybe 15 miles an hour.

Q: Were you wearing your seatbelt?

A: Yes, and the airbags did not deploy.

Q: Did you feel any injuries at the scene?

A: Not really at first. Later that afternoon my lower back started tightening up, and by the next day it was hard to bend over or sit for long.

Q: Have you seen a doctor or other provider for the back pain?

A: Yes, I went to urgent care the following day. They diagnosed a back strain and gave me muscle relaxers and a referral for physical therapy.

Q: Have you had any prior back problems or treatment?

A: No, nothing serious. I had some stiffness years ago from lifting, but I didn't see anyone for it.

Q: Are you still experiencing symptoms today?

A: Yes, it's better than it was, but I stlil have soreness and I'm doing therapy twice a week.

Q: Thank you. Is there anything else you'd like to add to your statement?

A: No, that covers it.

Q: This conclueds the recorded statement. Thank you.
