Date:	September 14, 2024

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but you can use the claim reference.

Q: That's fine. Can you tell me where you were when the accident happened?

A: I was driving on a city street in Pasadena, Texas, heading toward a shopping center. Traffic was light.

Q: What happened next?

A: The other car came over into my lane. We were going slow, maybe fifteen miles an hour, but it was a head-on hit. My airbag didn't deploy.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Did you hit your head or lose consciousness?

A: No, I didn't black out. I just got jolted forward and then pushed back against the seat.

Q: Did you get out of the vehicle at the scene?

A: I got out, but my neck and lower back were already stiff. I sat on the curb for a while until the police arrived.

Q: Have you sought medical treatment since the accident?

A: Yes, I went to an urgent care clinic the same day. They diagnosed a neck strain and a back strain. I've been doing physical therapy twice a week since then.

Q: Are you currently having any pain or limitations?

A: Yes. Turning my head to the left hurts, and I can't sit for long periods without my lower back aching. I've had to miss a few days of work.

Q: Thank you. Is there anything else you'd like to add to your statement?

A: Only that I'm still giong to physical therapy and I'll send over my records as soon as I get them.

Q: Thank you. This concludes the recorded statement.
