Q: Thank you for agreeing to give this recorded statement. Can you confirm you're comfortable with me recording this call?

A: Yes, that's fine.

Q: Good. Please tell me where you were when the accident happened.

A: I was driving through an intersection in Conroe, Texas. I was turning left onto the main road.

Q: What was the traffic like at that time?

A: It was fairly light. There were a couple of cars behind me and one coming from the other direction.

Q: Did you have a green light or a turn arrow?

A: I had a green light, but I was waiting for a gap in oncoming traffic before I completed the turn.

Q: What happened next?

A: A vehicle came through from the opposite direction and struck the front passenger side of my car. I don't think I saw it coming in time.

Q: Did you brake or swerve before impact?

A: I braked, but there wasn't enough time to avoid it.

Q: Where are you feeling injuries right now?

A: My right shoulder is hurting quite badly. I also have some stiffness in my neck, but the shoulder is the main problem.

Q: Did you seek medical attention?

A: Yes, I was checked at the scene and then went to an urgent care clinic later that afternoon. They took X-rays and told me to see a specialist.

Q: Are you currently under a doctor's care for the shoulder?

A: Yes, I have an appointment next week, and I've been wearing a sling when I'm out of the house.

Q: Is there anything else you'd like to add about the accident?

A: Only that I was following the rules of the road and I believe the other driver was going too fast for the intersection.

Q: Tahnk you. This concludes the statement.

A: Thank you.
