Q: Please state your full name for the record.

A: I'd rather not give my full name on a recording, if that's okay. You can use the claim number.

Q: That's fine. Can you confirm where you were when the collision happened?

A: I was in the parking lot of a grocery store here in Houston, Texas. I was pulling out of a space near the front entrance.

Q: What were you doing right before the impact?

A: I had my foot on the brake and was backing out slowly. I checked my mirror, saw nothing, and then there was a jolt from the rear right side of my car.

Q: Was your vehicle moving when the other car made contact?

A: Yes, I was rloling backward at mabye two or three miles an hour. The other car was coming down the lane behind me, going a bit faster than I'd expect for a lot.

Q: Did you see the other vehicle before the collision?

A: No. I didn't see it until after the impact. My view was blocked by the column next to my space.

Q: Did you get out and speak with the other driver?

A: Yes, briefly. They apologized and said they were looking at their phone. We exchanged insurance information.

Q: How are you feeling physically since the accident?

A: My neck is stiff and sore, especially when I turn my head to the left. My lower back aches when I sit for long periods. I felt it the next morning more than right away.

Q: Have you sought medical treatment?

A: I went to an urgent care clinic the following day. They diagnosed a neck and back strain and gave me muscle relaxers and a referral to a physical therapist.

Q: Is there anything else you'd like to add?

A: Only that I'm trying to keep up with my therapy appointments, and I'm happy to send over the records.

Q: Thank you. This concludes the statement.

A: Thank you.
