Description of the accident (claimant's words)

I was backing out of a parking space at a grocery store in Houston, Texas, moving slowly with my mirrors checked, when my rear bumper struck the side of a white sedan that was passing behind me. I stopped immediately, got out, and exchanged information with the other driver. Both vehicles were driven at very low speed, and there was no airbag deployment on my car. Afterward I noticed stiffness in my neck and a dull ache in my lower back. I went to an urgent care clinic the same day, where I was diagnosed with a neck and back strain and given a prescription for pain relief and instructions to rest. I am submitting this statement to document the collision and the injuries that resulted from it.
