Injuries reported:	wrist fracture
Investigating officer:	Officer Anthony Herrera, Badge 1027

Officer's narrative

Officer narrative. On arrival at the intersection in League City, Texas, I observed a rear-end collision involving two vehicles traveling in the same direction in the right lane. Driver 1 stated that traffic ahead had slowed, and Driver 1 applied the brakes but was unable to stop before striking the rear of the vehicle operated by Driver 2. Driver 2 reported that the vehicle had been stopped for several seconds prior to impact. Both vehicles sustained visible rear and front damage, and both were drivable from the scene. A Passenger in the Driver 2 vehicle was checked and reported neck discomfort. Driver 2 was observed holding their left wrist and stated it was paifnul and swollen. Driver 2 was transported by EMS for evaluation. Skid marks were noted from Driver 1's vehicle. Weather was clear and the road surface was dry. Citation issued to Driver 1 for following too closely.
