Officer's narrative

Officer narrative: On arrival at the intersection in Conroe, Texas, I observed a two-vehicle collision involving a seadn and an SUV. Driver 1 stated that they were traveling straight through the inetrsection when Driver 2, operating the SUV, attempted a left turn across their path and struck the driver's side of the sedan. Driver 2 stated that they believed the intersection was clear and did not see the sedan approaching. Both vehicles sustained front-end and side damage and were towed from the scene. A passenger in the sedan, identified in this report only as Passenger, was uninjured. Driver 1 reported pain in the right knee after the impact and was transported by EMS for evaluation. Traffic signal timing and vehicle positions were documented at the scene. Driver 2 was issued a citation for failure to yield the right-of-way to oncoming traffic during a left turn.
