Claim Notes

Claim number:	C-1307
Claimant:	Bradley Chavez
Adjuster:	Darin Tyler

2 Jun 2024 - Claim opened following a rear-end collision at a signalized intersection. Insured vehicle struck claimant's vehicle from behind at low speed. Police report requested. Claimant reports immediate neck stiffness and a wrist injury from bracing against the steering wheel. Recorded statement taken from insured, who admits to looking down at a phone just before impact.

7 Jun 2024 - Claimant has retained counsel. All further contact to go through the attorney's office. Letter of representation received and logged. Medical authorization forms requested from counsel. Photos of both vehicles received from claimant's side, showing rear bumper damage on claimant's car and minor crush to insured's front end.

9 Jun 2024 - Medical records received from the treating urgent care clinic. Diagnosis confirmed as a fracture of the distal radius on the claimant's left wrist. Claimant has been referred to an orthopedic specialist and is scheduled for a follow-up consult. Treatment includes casting and a possible surgical referral pending reassessment. Liability accepted at fault level pending final review of the police report.

12 Jun 2024 - Adjuster spoke with claimant's attorney regarding a demand package. Counsel indicated the wrist injury will likely require physical therapy and may affect the claimant's work as a delivery driver. Requested wage loss documentation and itemized medical bills. Reserve reviewed and flagged for supervisor sign-off given the fracture and representation status.

16 Jun 2024 - Orthopedic records received. Follow-up notes indicate the fracture is healing, with a physical therapy plan in place for six weeks. Surgical intervention was not required at this time. Claimant's attorney confirmed the demand will be submitted after the next treatment review. File remains open. Next action: obtain final police report and confirm wage documentation from the claimant's employer.

Recorded Statement

Claim number:	C-1307
Statement of:	Bradley Chavez
Taken by:	Darin Tyler
Date:	5 Jun 2024

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on the recording, but you can note that I'm the driver of the vehicle that was struck.

Q: That's fine. Can you describe where the accident happened?

A: It was on a main road in Pasadena, Texas, near a shopping center. I was stopped at a red light in the right lane.

Q: What happened next?

A: I had been stopped for maybe ten seconds when I felt a hard impact from behind. My head snapped back and my car lurched forward into the intersection.

Q: Did you see the other vehicle before the impact?

A: No. I was looking ahead at the light. I only saw it in my mirror after I was hit, and it was a larger pickup truck.

Q: Did you speak with the other driver at the scene?

A: Briefly. He said he was looking at his phone and didn't brake in time. He seemed apologetic.

Q: Were you injured?

A: Yes. I put my right hand out to brace myself on the steering wheel, and my wrist took the force. The pain was immediate. Someone at the scene called an ambulance.

Q: Where were you treated?

A: I was taken to a local emergency room. They took X-rays and told me I had a fracture in my wrist. I was given a splint and told to see a hand specialist.

Q: Have you missed work or had any other treatment since?

A: Yes, I've been unable to drive for work and I've had two follow-up appointments. I'm still in a cast and doing physical therapy when I can.

Q: Is there anything else you'd like to add to your statement?

A: Only that I've been careful to keep all my receipts and medical paperwork, and I'm willing to provide them.

Q: Thank you. This concludes the statement.

A: Thank you.
