Description of the accident (claimant's words)

I was driving westbound on a residential street in Pasadena, Texas, at a slow speed, approaching the intersection where the traffic light had just turned green. A vehicle traveling eastbound crosesd into my lane while attempting a left turn and struck the front of my car head-on. The impact was low speed, but my airbags did not deploy and both vehicles sustained visible front-end damage. I stopped immediately, turned off my engine, and remained at the scene until the other driver and responding officers arrived. The police report was filed at the scene. Later that day I began experiencing lower back pain and stiffness, which I believe was caused by the sudden jolt of the collision. I have been advised by my doctor to rest and attend physical therapy sessions. I am submitting this statement to document the accident and my resulting injury.
