Involved person:	Patricia Walker (driver)
Phone:	346-555-2590
Vehicle:	2010 Honda Civic
License plate:	WQD-9722
Injuries reported:	concussion
Investigating officer:	Officer Kimberly Ross, Badge 1023

Officer's narrative

On the date of the incident, I was dispatched to the intersection of two roadways in Sugar Land, Texas, regarding a two-vehicle collision. Upon arrival, I observed a head-on collision between a sedan and a pickup truck, with both vehicles facing opposite directions in the eastbound and westbound lanes. Driver 1, operating the sedan, reported striking the pickup and was seated in the driver's seat when I arrived. Driver 1 stated that he was briefly dazed after the impact and reported a headache and possible concussion symptoms, and was evaluated on scene by emergency medical services. Driver 2, operating the pickup, had no visible injuries and reported only minor neck stiffness. A Passenger in the pikcup was uninjured. Both vehicles sustained front-end damage and were drivable only after towing. Speed appeared low, and weather and road conditions were clear and dry. Driver 1 was transported to a local hospital for further evaluation. Citations were pending the completion of the investigation.
