Recorded Statement

Claim number:	C-1318
Statement of:	Carl Johnson
Taken by:	Jerry Hanson
Date:	04/28/2025

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on a recording, but you can use the claim file for that.

Q: That's fine. Can you tell me where you were when the accident happened?

A: I was stopped at a red light on the main road in League City, near the shopping center entrance.

Q: What happened next?

A: The car behind me didn't stop in time. I felt a hard jolt from behind and my head snapped forwrad and back.

Q: Did you get out of your vehicle right away?

A: I got out, but my lower back was tight and I had trouble standing up straight. I sat on the curb for a while.

Q: Did you seek medical attention?

A: Yes, I went to urgent care that afternoon. They checked my back and told me I had a strain.

Q: Are you still having symptoms?

A: Yes. Sitting for long periods hurts, and I've been taking time off from my job because bending and lifting make it worse.

Q: Did you have any back problems before this accident?

A: No, not that I can recall. I'd been working normally and had no restrictions.

Q: Has any other provider treated you since then?

A: I've been seeing a physical therapist twice a week. They say I should improve with time, but it's slow.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm trying to follow the treatment plan and I want my medical bills and lost wages covered.

Q: Thank you. This concludes the statement.

A: Okay, thank you.
