Claim Notes

Claim number:	C-1319
Claimant:	Kathryn Orozco
Adjuster:	Chelsea Hebert

1-17-24 - Received first notice of loss for a low-speed head-on collision. Insured reports the other vehicle crossed into their lane on a curve. Both vehicles drivable from scene, tow not required. Claimant reported shoulder pain at the scene and was transported for evaluation. Opened bodily injury and property damage exposures.

1-21-24 - Claimant is represented by counsel. Letter of representation received and logged. All further contact to go through the attorney's office. Requested medical authorization and the attorney's itemzied treatment summary. Reserves set pending records.

1-24-24 - Phoots of both vehicles reviewed. Front bumper and grille damage on each, consistent with a low-speed impact. Airbag deployment not reported in either vehicle. Estimate ordered for the insured vehicle and the claimant vehicle. Recorded statement from insured obtained, no inconsistencies noted.

1-26-24 - Attorney's office provided initial imaging and orthopedic notes for the right shoulder. Treating physician notes limited range of motion and recommends physical therapy. Prior history of shoulder complaints being requested from the claimant's prior providers. Referred file to medical review for causation assessment.

2-3-24 - Medical review completed. Findings support soft tissue strain with possible rotator cuff involvement, pending further imaging. Physical therapy in progress per treating physician. Demand package expected from counsel. Diary set to follow up on records and reassess reserves upon receipt.

Recorded Statement

Claim number:	C-1319
Statement of:	Kathryn Orozco
Taken by:	Chelsea Hebert
Date:	1-23-24

Q: Thank you for agreeing to give this recorded statement. Can you confirm you understand this call is being recorded?

A: Yes, I understand.

Q: Good. Please describe where you were and what you were doing when the collision happened.

A: I was driving on a two-lane road in Katy, heading toward the shopping center. It was a clear afternoon and traffic was light.

Q: Which direction were you traveling, and what was the other vehicle doing?

A: I was going straight. The other car came across into my lane. I think it was trying to pass something, but I'm not sure.

Q: How fast were you going when the impact occurred?

A: I'd guess maybe twenty-five miles an hour. I had already slowed down a little because of a stop sign ahead.

Q: Did you apply your brakes before the impact?

A: Yes, I braked as hard as I could, but there wasn't enough time.

Q: Were you wearing your seatbelt?

A: Yes, I was.

Q: Where did you first feel pain or notice an injury?

A: My right shoulder hit the door and the seatbelt pulled hard across my chest. I felt a sharp pain right away, and by the next morning it was much worse.

Q: Have you seen a doctor or received any treatment since the collision?

A: Yes, I went to urgent care that evening and I've been seeing a physical therapist twice a week since then.

Q: Do you have any pre-existing problems with that shoulder?

A: No, not that I can recall. I play some tennis, but I hadn't had any problems before this.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm still having trouble lifting things and sleeping on that side. I'm hoping to get back to normal.

Q: Thank you. This concludes the statement.
