Claim Notes

Claim number:	C-1321
Claimant:	Brendan Serrano
Adjuster:	Alison Sweeney

20 Apr 2023 - Claim opened following report of a low-speed collision in a parking lot. Claimant reports being struck while backing out of a space. Police report not filed; both parties exchanged information at the scene. Claimant states she is not represented by an attorney.

27 Apr 2023 - Called claimant to confirm contact details and obtain recorded statement. Claimant describes minor vehicle damage to rear bumper and reports neck pain beginning later the same day. She has not yet seen a physician. Advised her of the medical evaluation options available under the policy.

29 Apr 2023 - Received photos of both vehicles from claimant and from the insured driver. Damage appears consistent with a slow-speed impact. Requested repair estimate from the body shop of the claimant's choosing. Reminded claimant she may contact her own insuerr if she prefers.

30 Apr 2023 - Claimant reports she visited an urgent care clinic and was diagnosed with a neck strain. Requested itemized medical records with her signed authorization. She asked whether she needs a lawyer; explained that I cannot give legal advice and that she is free to seek independent counsel if she wishes.

1 May 2023 - Reviewed the file. Liability appears likely to rest with the insured driver based on the statemetns and photos. Injury claim is under evaluation pending receipt of medical records and the repair estimate. Set a follow-up to contact claimant in ten business days for status.

Recorded Statement

Claim number:	C-1321
Statement of:	Brendan Serrano
Taken by:	Alison Sweeney
Date:	23 Apr 2023

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on the recording, if that's okay. You already have it in the claim file.

Q: That's fine. Can you describe where you were when the collision happened?

A: I was in a parking lot at a shopping center in Pasadena, Texas. I had just pulled into a space near the main entrance.

Q: What were you doing right before the impact?

A: I was backing out of the sapce to leave. I checked my mirrors and didn't see anything, so I started reversing slowly.

Q: What happened next?

A: A vehicle coming down the aisle hit the rear quarter panel of my car. It wasn't going very fast, but it was enough to jolt me forward and then back against the seat.

Q: Did you see the other vehicle before the contact?

A: No. I think the driver was looking for a spot and didn't notice me until it was too late.

Q: Did you have any injuries at the scene?

A: I felt a stiffness in my neck right away, but I didn't think much of it. By that evening it was sore and I had a headache.

Q: Have you sought medical treatment?

A: Yes, I went to urgent care the next day. They diagnosed a neck strain and gave me muscle relaxers and told me to rest and do some stretching.

Q: Are you still experiencing symptoms?

A: Some. Turning my head to the left is the hardest. I've missed a few days of work because of it, and I'm still going to physical therapy twice a week.

Q: Tahnk you. Is there anything else you'd like to add to your statement?

A: Just that I'd like this handled as quickly as possible, since the medical bills are piling up.

Q: Understood. Thank you for your time.
