Description of the accident (claimant's words)

I was driving home on the highway near League City, Texas, and needed to move into the left lane to get around a slow truck. I checked my mirror and signaled, and I was beginning to merge when I felt a hard jolt on the driver's side. The other vehicle had moved into the same space as I was changing lanes, and our cars made contact along the side panels. I pulled onto the shoulder right away and stayed in my vehicle until I could take stock of the damage. Both cars were drivable but had visible scrapes and dents. Afterward, I noticed a sharp pain in my lower back that grew worse over the next hour. I have since been seen by a doctor, who diagnosed a back strain and recommended rest and physical therapy.
