Officer's narrative

Officer's narrative: On the date of this report, I was dispatched to a two-vehicle collision on a multi-lane roadway in League City, Texas. Upon arrival, I observed a sideswipe collision between two passenger vehicles that had been traveling in adjacent lanes. Driver 1 stated that Driver 2 was changing lanes without signaling and made contact with the left rear quarter panel of Driver 1's vehicle. Driver 2 stated that the lane change was made with due care and that the contact occurred when Driver 1 moved forward into the same space. Both vehicles sustained visible damage along their driver-side and passenger-side panels, respectively. A Passenger seated in Driver 1's vehicle was uninjured at the scene. Driver 1 reported pain in the lower back and neck and stated that symptoms began shortly after the impact. Driver 1 declined immediate transport by EMS but agreed to be evaluated at a medical facility. No citations were issued at the scene pending further investigation.
