Officer's narrative

Officer narrative: On arrival at the scene in League City, Texas, I observed two passenger vehicles in a head-on collision in the eastbound lanes. Driver 1 was seated in the driver's seat of the northern vehicle and remained on scene. Driver 1 stated the vehicle was traveling at low speed when the front bumpers made contact with the southern vehicle, operated by Driver 2. Driver 1 reported neck and lower back strain immediately following the impact and was able to exit the vehicle with assistance. A Passenger was seated in the rear of Driver 2's vehicle and reported no visible injury. Both vehicles sustained front-end damage consistent with a low-speed impact. Airbags did not deploy in either vehicle. Both drivers were wearing seatbelts. Emergency medical services were requested for Driver 1 as a precaution, and Driver 1 was transported for evaluation. Traffic flow was redirected by responding units until both vehicles were cleared from the roadway.
