Claim Notes

Claim number:	C-1330
Claimant:	Susan Garza
Adjuster:	Valerie Rodriguez

1-3-25 - Claim opened following a report of a low-speed collision in a parking lot. Insured vehicle was stationary when struck by a third-party vehicle while backing out of a space. Both drivers exchanged information at the scene. Liability appears clear on the third-party driver's side pending the statement review.

1-12-25 - Claimant's vehicle inspected via photos. Rear bumper damage and minor cracking to the tail light assembly noted. Estimate requested from preferred repair facility. Claimant reports neck strain following the impact and has since retained counsel. All further contact to be routed through the attorney's office.

1-19-25 - Received letter of representation from claimant's attorney. Attorney requests a copy of the police report and the scene photographs. Documents sent. Medical authorization forms forwarded to the attorney for the claimant's signature. Diagnosis on file indicates cervical strain with a recommendation for physical therapy.

1-21-25 - Spoke with claimant's attorney regarding the status of the medical records. Records from the treating clinic are still pending. Attorney indicated the client has completed six physical therapy sessions and is continuing treatment. Reminded counsel that the bodily injury evaluation cannot be finalized until the records are received and reviewed.

1-27-25 - Repair estimate reviewed and approved for the insured vehicle. Subrogation file opened against the third-party carrier. Bodily injury reserve reviewed and kept at current level pending receipt of the treatment records. Follow-up scheduled to check on records status with the claimant's attorney's office.

Recorded Statement

Claim number:	C-1330
Statement of:	Susan Garza
Taken by:	Valerie Rodriguez
Date:	1-4-25

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on a recording, if that's okay. I can answer your questions.

Q: That's fine. Can you tell me where you were when the collision happened?

A: I was in a parking lot near a shopping center in Pasadena, Texas. I was pulling into an open space near the store entrance.

Q: What were you doing right before the impact?

A: I was moving slowly, maybe five miles an hour, looking for a spot. Then the other car backed out of a space and hit the frnot passenger side of my vehicle.

Q: Did you see the other vehicle before it hit you?

A: No. I didn't see it until it was already moving toward me. I'm not sure the driver saw me either.

Q: Were you injured in the collision?

A: Yes, my neck. It snapped forward and then back. I've had a stiff neck and some soreness in my shoulders since then.

Q: Did you seek medical attention?

A: I went to an urgent care clinic the same afternoon. They said it was a neck strain and gave me muscle relaxers and told me to rest and do some stretching.

Q: Are you still experiencing symptoms?

A: Yes, some. It's better than it was, but I still get stiffness when I turn my head quickly, and I've had trouble sleeping on my left side.

Q: Did you hit your head or lose consciousness?

A: No. I didn't hit anything, and I didn't black out. I was just shaken up.

Q: Is there anything else you'd like to add to your statement?

A: Only that I've been keeping my receipts for the medical visits and prescriptions, and I can send those to you.

Q: Thank you. This concludes the recorded statement.
