Recorded Statement

Claim number:	C-1331
Statement of:	Peter Lee
Taken by:	Alison Sweeney
Date:	6-7-24

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but you can use the claim number.

Q: That's fine. Can you tell me where you were when the accident happened?

A: I was stopped at a red light on the main road in Pasadena, Texas, near a shopping plaza.

Q: Were you wearing your seatbelt?

A: Yes, I always do.

Q: What happened next?

A: I felt a hard jolt from behind. The other car must have been going pretty fast, because my head snapped back and then forward.

Q: Did you get out of your vehicle right away?

A: No, I stayed in the car for a few minutes. My neck was already stiff and I felt dizzy.

Q: Did you speak with the other driver?

A: Yes, briefly. He said he looked down at his phone and didn't see the light change in time.

Q: When did you first notice pain or stiffness?

A: Within the hour, but by that evening the pain in my neck and upper shoulders was pretty bad. I have a headache too.

Q: Have you seen a doctor or been to an urgent care facility?

A: I went to urgent care the next morning. They said it looked like a neck strain and gave me msucle relaxers and a referral to a physical therapist.

Q: Have you had any prior neck or back injuries?

A: No, nothing serious. I had some minor stiffness years ago after sleeping wrong, but nothing that required treatment.

Q: Are you still experiencing symptoms today?

A: Yes, turning my head to the left is hard, and I can't sit at my desk for long without discomfort.

Q: Is there anything else you'd like to add to your statement?

A: Only that I've been missing some work while I recover, and I'd like the claim handled as quickly as possible.

Q: Thank you. This concludes the recorded statement.

A: Thank you.
