Description of the accident (claimant's words)

I was driving home along the main road in League City, Texas, moving slowly through a light drizzle. The vehicle in front of me stopped suddenly to make a turn, and I braked, but the car behind me was too close for me to stop completely. I was traveling at a low speed when my front bumper made contact with the oncoming vehicle in a head-on collision. Both cars came to a stop almost immediately. My airbag deployed, and my left wrist struck the steering wheel. I felt sharp pain right away and colud not move my hand properly. A passerby called for emergency help, and I was taken to the hospital, where X-rays confirmed a fracture of my wrist. I have been wearing a cast since then and have had to stop work for several weeks. I am providing this account so the claim can be processed accurately.
