Statement of:	Devin Wise

Q: Thank you for taking the time to give this recorded statement. Please state your full name for the record.

A: I'd rather just keep my name off the recording if that's okay. I'm the driver of the blue sedan that was involved in the collision.

Q: That's fine, we'll note you as the driver of the vehicle. Can you tell me where the accident happened?

A: It was at an intresection in Sugar Land, Texas. I was making a left turn across the southbound lanes to get into a shopping center parking lot.

Q: What were the traffic conditions like at the time?

A: It was a clear afternoon, and the road was dry. There was steady traffic, but nothing unusual for that area.

Q: Walk me through what happened as you began your turn.

A: I waited for a gap in oncoming traffic and started to turn. Then I saw a pickup coming through the intersection faster than I expected, and I tried to speed up to clear it. We collided on the driver's side of my car.

Q: Did you apply your brakes before impact?

A: I think I braked at the last second, but there wasn't much time to react.

Q: Were you wearing your seatbelt, and did the airbags deploy?

A: Yes, I had my seatbelt on. The airbags did deploy, and the impact threw me against the door and then back into the seat.

Q: Have you received any medcial attention since the collision?

A: I went to an urgent care clinic that same day. They said I have a neck strain and a lower back strain. I've been doing physical therapy twice a week since then.

Q: Are you still experiencing pain or limited movement?

A: Yes, my neck is stiff, especially when I turn my head to check mirrors, and my lower back aches after sitting for long periods.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm sorry for the damage, and I hope everyone involved is diong okay.

Q: Thank you. This concludes the recorded statement.

A: Thank you.
