Q: Thanks for taking the time to give this recorded statement. Please state your full name for the record.

A: I'd rather just keep it to the accident details, if that's all right.

Q: That's fine. Can you describe where you were when the collision happened?

A: I was in the right lane on the main road in Sugar Land, heading toward the shopping center exit. Traffic was moving pretty steadily.

Q: What were you doing right before the impact?

A: I was changing lanes to the left to get around a slow truck. I checked my mirror and it looked clear, so I signaled and started moving over.

Q: Did you see the ohter vehicle at any point?

A: Not until it was right there. I felt a bump on my side and heard a scrape. The other car had come up in my blind spot, I think.

Q: Did either of you stop after the contact?

A: Yes, we both pluled onto the shoulder. The other driver was apologetic and said they didn't see me coming.

Q: Were you injured?

A: My neck and lower back hurt right away. Mostly stiffness at first, but by the next morning the pain was sharper, especially when I turn my head or lift anything.

Q: Have you seen a doctor or received any treatment?

A: Yes, I went to urgent care the same day and I'm scheduled for physical therapy. They diagnosed a neck and back strain.

Q: Did you have any passengers in your vehicle?

A: No, I was alone.

Q: Is there anything you'd like to add to your statement?

A: Only that I'm still having trouble sleeping because of the pain. Otherwise, that's everything I remember.

Q: Thank you. This concludes the statement.
