Recorded Statement

Claim number:	C-1341
Statement of:	Charles Johnson
Taken by:	Valerie Rodriguez
Date:	8-25-23

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on tape, but you can note that I'm the driver of the vehicle involved.

Q: That's fine. Can you describe where the accident happened?

A: It was on a multi-lane road in Katy, Texas, near a shopping center. I was moving from the left lane over to the right lane to make a turn.

Q: What happened as you changed lanes?

A: I checked my mirror and the lane looked clear. About halfway over, I felt a jolt on the driver's side and heard scraping metal. The other car had been in my blind spot and sideswiped me.

Q: Did the other driver stop?

A: Yes, they pulled onto the shoulder just ahead. We exchanged information and took a few photos of both cars.

Q: Did you receive any injuries?

A: Yes. My left knee hit the door frame and the dashboard area when the impact happened. It's swollen and I've had trouble bending it since.

Q: Did you seek medical attention?

A: I went to an urgent care clinic that same afternoon. They took X-rays and told me to follow up with an orthopedic doctor. I'm scheduled for an appointment next week.

Q: Are you currently receiving any treatment or taking medication?

A: I'm taking over-the-counter pain relievers and using ice and a brace. Walking up stairs is difficult, and I've missed a couple of days of work.

Q: Is there anything else you'd like to add about the accident?

A: Only that I was driving carefully and signaling before the lane change. I'd like the claim handled as quickly as possible because the medical bills are adding up.

Q: Thank you. This concludes the recorded statement.

A: Thank you.
