Claim Notes

Claim number:	C-1371
Claimant:	Sandra Evans
Adjuster:	Christopher Wong

2023-12-13 - Claim received for a low-speed head-on collision. Insured reports vehicle struck on front end; other driver's vehicle also sustained front-end damage. Police report requested. Photos of both vehicles uploaded to file.

2023-12-15 - Claimant reports neck and back strain following impact and is now represented by counsel. All further contact to be routed through the attorney's office. Letter of representation on file. Recorded statement from insured obtained; liability facts consistent with initial report.

2023-12-19 - Medical records requested from claimant's treating provider via authorization forwarded by counsel. Diagnosis noted as cervical and lumbar strain. Treatment plan includes physical therapy. Reviewing prior treatment history per counsel's disclosure.

2023-12-28 - Independent appraisal completed on claimant's vehicle. Repair estimate reviewed and found within normal range for the damage described. Rental coverage confirmed under insured's policy terms. Supervisor review requested before final settlement evaluation.

2023-12-29 - Demand package received from claimant's counsel and under review. Medical bills and wage documentation listed. File flagged for evaluation of liability split and boidly injury valuation. Follow-up with counsel scheduled to confirm missing records.

Recorded Statement

Claim number:	C-1371
Statement of:	Sandra Evans
Taken by:	Christopher Wong
Date:	2023-12-12

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, so just call me the claimant.

Q: That's fine. Can you describe where you were and what you were doing when the collision happened?

A: I was driving home from work in Pearland, heading down a two-lane road. It was a slow stretch, maybe thirty miles an hour, and traffic was light.

Q: Can you tell me what happened next?

A: A car came over into my lane. I braked and swerved a little, but we still ended up nose to nose. It wasn't a hard hit. The airbags didn't go off, but I felt a jolt through my whole body.

Q: Did you lose consciousness or hit your head?

A: No, I stayed awake and didn't hit my head. I just felt shaken up.

Q: Did you get out of the vehicle and seek any medical attention?

A: I got out and felt okay for about an hour. Then my neck started stiffening up, and my lower back began to ache. I went to an urgent care clinic that evening.

Q: What did the medical provider tell you?

A: They diagnosed a neck strain and a lower back strain. They gave me some muscle relaxers and told me to rest and use ice and heat.

Q: Are you still experiencing symptoms?

A: Yes, the neck pain is worse when I turn my head to check traffic, and I'm having trouble sitting for long periods because of my back.

Q: Thank you. Is there anything else you'd like to add to your statement?

A: No, I think that covers it. I just want my treatment to be covered.

Q: Understood. Thank you for your time.
