Claim Notes

Claim number:	C-1373
Claimant:	Edward Bright
Adjuster:	Valerie Rodriguez

February 29, 2024 - Claim opened for a parking lot collision between two insured vehciles at a retail lot. Both drivers reported minor front and rear bumper contact at low speed. Claimant reports neck strain and has retained counsel, who has requested that all communication go throguh the firm.

March 1, 2024 - Spoke with claimant's attorney's office to confirm representation and receive the initial demand packet. Requested medical records, prior treatment hisotry for the neck, and the emergency department discharge summary. Attorney's office advised that records would follow once authorization forms are signed.

March 2, 2024 - Reviewed photos submitted by the insured and the store's security footage request. Footage shows both vehicles backing out of adjacent spaces at slow speed. Liability appears shared, pending review of statements from both drivers and the witness who was located in the lot.

March 6, 2024 - Received medical authorization from claimant's counsel. Records show a diagnosis of cervical strain, prescribed muscle relaxants, and a referral to physical therapy. Treating physician notes that symptoms are expected to improve within several weeks. Forwarded records to the medical review unit for evaluation of treatment necessity.

March 15, 2024 - Medical review completed. Treatment appears consistent with the reported injury. Scheduled a call with claimant's attorney to discuss liability position and the status of the physical therapy claim. Reserve reviewed and adjusted. Next step is to await updated therapy noets before evaluating settlement.

Recorded Statement

Claim number:	C-1373
Statement of:	Edward Bright
Taken by:	Valerie Rodriguez
Date:	March 5, 2024

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on the recording, if that's okay. You already have it on the claim.

Q: That's fine. Can you confirm you were the driver of the vehicle involved in the parking lot collision in Conroe, Texas?

A: Yes, I was driving.

Q: Walk me through what happened.

A: I was backing out of a space at the grocery store. I checked my mirrors and didn't see anything, but when I was about halfway out, another car came around the row a little fast and clipped my rear bumper.

Q: Was your vehicle mvoing at the time of impact?

A: Yes, slowly, maybe a few miles an hour. I hit the brakes right away.

Q: Did you notice any injuries at the scene?

A: Not right away. I felt fine for maybe twenty minutes. Then my neck started to tighten up, and by that evening it was stiff and sore on the left side, down into my shoulder.

Q: Have you seen a docotr or other provider since the accident?

A: Yes, I went to urgent care the next morning. They diagnosed a neck strain and gave me muscle relaxers and told me to rest and use ice.

Q: Are you still experiencing symptoms?

A: Some days are better than others. Turning my head to check blind spots is the hardest part. I've been doing some stretches the therapist showed me.

Q: Did you have any neck problems before this collision?

A: Nothing serious. I had some occasional stiffness from sitting at a desk, but nothing that stopped me from working or sleeping.

Q: Thank you. Is there anything else you'd like to add to your statement?

A: No, I think that covers it. I just want to get back to normal and get my car repaired.

Q: Thank you for your time. This concludes the statement.
