Recorded Statement

Claim number:	C-1387
Statement of:	Douglas Green
Taken by:	Chelsea Hebert
Date:	9 Oct 2023

Q: Thank you for taking the time to speak with me today. This recorded statement concerns the collision you were involved in. Please state your full name for the record.

A: I'd rather just give you the facts, if that's okay. I'm the driver of the blue sedan.

Q: That's fine. Can you tell me where the collision occurred?

A: It was on a two-lane road in Conroe, Texas, near a shopping center. I was heading toward the stoplight.

Q: What was the weather and road condition at the time?

A: It was clear and dry. Daytime, so visibility was good.

Q: Walk me through what happened.

A: The other car came over into my lane while we were both going slow, maybe fifteen or twenty miles an hour. I tried to swerve right but there wasn't much room. We hit front to front, not hard.

Q: Did either airbag deploy?

A: No, nothing deployed. Both cars were still drivable, though the other driver's car had to be towed.

Q: Did you feel any injury at the scene?

A: Not right away. I felt stiff in the neck the next morning. It's a dull ache at the base of my skull and it gets worse when I turn my head to the left.

Q: Have you sought medcial treatment since the collision?

A: Yes, I went to urgent care and they diagnosed a neck strain. I've been doing physical therapy twice a week since.

Q: Is there anything else you'd like to add to your statement?

A: Just that I was driving carefully and I'm hoping to get my car repaired soon. Thank you.

Q: Thank you. This concludes the recorded statement.
