Recorded Statement

Claim number:	C-1392
Statement of:	Anthony Lowe
Taken by:	Darin Tyler
Date:	4 Nov 2023

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on a recording, but I understand you need to identify me. You can use the claim number.

Q: That works. Can you tell me where you were when the collision happened?

A: I was driving on the main road in Pasadena, Texas, heading toward the shopping center. Traffic had slowed down ahead of me, so I was stopped at a light.

Q: What happened next?

A: I felt a hard jolt from behind. My head snapped back and then forward, and my seatbelt locked across my chest. The car behind me hit mine while I was completely stopped.

Q: Did you get out of your vehicle at the scene?

A: Yes, but I felt dizzy and my neck was really stiff. The other driver came over and apologized. We exchanged insurance information and waited for the police to show up.

Q: Did you seek medical attention?

A: I went to the emergency room later that same day. They took X-rays and told me I had neck and back strain. They gave me a prescription for muscle relaxers and told me to rest.

Q: Are you still experiencing symptoms?

A: Yes. My neck still hurts when I turn my head, and my lower back aches after sitting for more than twenty minutes. I've had to take some time off work because of it.

Q: Have you had any prior injuries to your neck or back?

A: I had some minor back soreness a few years ago after lifting boxes, but it went away with stretching. Nothing that required a doctor.

Q: Is there anything else you'd like to add to your statement?

A: Only that I want to make sure my treatment is covered. I'm following my doctor's instructions and I'm going to physical therapy twice a week.

Q: Thank you. This concludes the recorded statement.

A: Thank you.
