Bodily Injury Unit

Claim Notes

Claim number:	C-1394
Claimant:	Terri Acosta
Adjuster:	Valerie Rodriguez

November 14, 2023 - Claim opened following a low-speed head-on collision on a two-lane road. Insured reports the other vehicle crossed the center line during a slight curve. Both vehicles drivable from scene. Insured states no airbag deployment. Police report requested.

November 22, 2023 - Claimant contacted our office through counsel, who confirmed representation and requested that all further communication be directed to his firm. Claimant reports a wrist injury treated at urgent care and a referral for orthopedic follow-up. Medical authorization requested through counsel.

November 25, 2023 - Police report received. Responding officer noted minor front-end damage to both vehicles and assigned fault to the other driver for crossnig the center line. Witness statement from a passenger in the insured vehicle is consistent with the insured's account. Liability appears clear, pending review.

December 1, 2023 - Counsel's office provided imaging results confirming a distal radius fracture and a treatment plan that includes a cast and possible physical therapy. Demand package expected once treatment concludes. Reserve reviewed and adjusted to reflect the bodily injury exposure. Referred to the bodily injury unit for handling.

December 10, 2023 - Vehicle inspection completed. Repair estimate reviewed and approved for the front bumper, hood, and headlamp assembly. Supervisor notified of the represented bodily injury component. Next step is to await the medical records and the formal demand from counsel before evaluating settlement.

Recorded Statement

Claim number:	C-1394
Statement of:	Terri Acosta
Taken by:	Valerie Rodriguez
Date:	November 14, 2023

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rahter not give my full name on a recording, but you can use the claim file reference.

Q: That's fine. Can you describe where you were and what you were doing when the collision happened?

A: I was driving north on a two-lane road in Conroe, heading to the grocery store. It was early afternoon and traffic was light.

Q: Which direction was the other vehicle traveling?

A: It was coming south toward me. It drifted into my lane as it came around a slight curve. I tried to steer right, but we still hit nose to nose.

Q: How fast would you estimate you were going?

A: Maybe twenty-five miles an hour. I was braking when it happened, so I don't thnik it was very fast.

Q: Did either airbag deploy?

A: Yes, mine did. It was loud and the steering wheel jerked my arm.

Q: Did you get out of the vehicle on your own or need assistance?

A: I got out on my own, but my left wrist hurt right away. I couldn't grip anything. A neighbor drove me to urgent care.

Q: Have you received a diagnosis for your wrist?

A: Yes, they said it was fractured. I have a splint now and I'm waiting to see a hand specialist.

Q: Did you have any prior injuries to that wrist?

A: No, nothing I can recall.

Q: Is there anything else you would like to add to your statement?

A: Only that I was following the rules of the road. I just want this handled fairly.

Q: Thank you. This concludes the statement.
