Description of the accident (claimant's words)

I was driving north on the main road in Sugar Land, Texas, and slowed down to make a left turn into a shopping center parking lot. The intersection had a green light for oncoming traffic, and I waited for a clear gap before starting my turn. Partway through the turn, a vehicle coming from the opposite direction struck the front driver's side of my car. I had not seen it approaching at a speed I expected, and I was unable to avoid the impact. My airbags deployed, and my car was pushed toward the curb. I got out and was assisted by bystanders until emergency responders arrived. I was taken to a local hospital, where I was diagnosed with a fractured wrist on my right arm. My vehicle was towed from the scene and is currently at a repair facility awaiting an inspection by the insurer.
