Claim number:	C-1402
Statement of:	Scott Carroll

Date:	22 Aug 2024

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but you can use the claim reference.

Q: That's fine. Can you tell me where you were when the collision happened?

A: I was driving through the intersection in Sugar Land, heading east on the main road. The light had just turned green for me.

Q: Did you see the other vehicle before the impact?

A: Not really. I saw a car coming from the left side, but I thought it was going to stop. It didn't.

Q: What part of your vehicle was struck?

A: The driver's side door, right where I was sitting. The impact pushed me toward the center console.

Q: Did you hit anything else during the collision?

A: My left knee hit the dashboard area. That's where the pain started.

Q: Were you able to get out of the vehicle on your own?

A: I got out, but I had to hold onto the door. My knee wouldn't take my weight comfortably.

Q: Have you sought medical treatment since the accident?

A: Yes, I went to urgent care that same day. They took X-rays and told me to follow up with an orthopedic doctor because of swelling and limited movement.

Q: Are you still experiencing symptoms?

A: Yes. I'm using a brace when I walk, and stairs are difficult. I'm still waiting on an MRI appointment.

Q: Is there anything else you'd like to add to your statement?

A: Only that I was following the traffic signals and I believe the other driver was at fault for not yielding.

Q: Thank you. This concludes the recorded statement.

A: Thank you.
