Phone:	346-555-9883
Vehicle:	2015 Jeep Cherokee
License plate:	R56 5CS
Injuries reported:	knee injury
Investigating officer:	Officer Emily Weaver, Badge 1013

Officer's narrative

Officer narrative. On arrival at the intersection in Sugar Land, Texas, I observed two passenger vehicles in a side impact collision in the through lanes. Traffic control at the location is a signalized intersection with marked crosswalks and posted speed limits. Driver 1 stated that the vehicle was traveling through the intersection on a green signal when Driver 2's vehicle entered from the cross street and struck the driver's side. Driver 2 stated that the signal was yellow upon entry. Independent witness observations were not available at the scene. Physical evidence included contact damage to the driver's side door of Vehicle 1 and the front passenger side of Vehicle 2, consistent with the reported angle of impact. Passenger was seated in the front passenger seat of Vehicle 1 and reported no injury. Driver 1 reported pain in the left knee and was evaluated by EMS on scene, then transported for further examination. Both vehicles were towed from the scene. No citations were issued pending review of the signal timing records.
