Officer's narrative

Driver 1 was stopped in the right lane of the roadway in Baytown, Texas, waiting for traffic ahead to clear, when the vehicle operated by Driver 2 struck the rear of Driver 1's vehicle. Driver 2 stated that the barkes did not respond in time after slowing for traffic. The impact psuhed Driver 1's vehicle forward approximately four car lengths. Airbags deployed in Driver 1's vehicle. A Passenger was seated in the front passenger seat and reported neck pain but did not require transport. Driver 1 reported dizziness, headache, and confusion following the collision and stated a head injury was possible. Driver 1 was transported by EMS to a local hospital for evaluation. Driver 2 displayed no visible injuries. Both vehicles sustained rear and front-end damage and were towed from the scene. Weather was clear and the roadway was dry. Citation issued to Driver 2 for failure to control speed.
