Officer's narrative

Officer narrative. On arrival at the scene in Pearland, Texas, I observed two vehicles in the right-hand lane of the northbound roadway with rear-end damage to the second vehicle. Driver 1 was operating the lead vehicle and stated that traffic had slowed ahead of the intersection and that the vehicle behind did not stop in time. Driver 2 stated that the lead vehicle stopped abruptly and that the front of the vehicle made contact with the rear bumper. A Passenger was seated in the front passenger seat of Driver 2's vehicle and was uninjured at the scene. Driver 1 reported neck pain and stiffness and stated that she felt whiplash symptoms shortly atfer the impact. Driver 1 was evaluated by emergency medical services on scene and declined transport at that time. Both drivers were able to move their vehicles out of the travel lane. No ctiations were issued at the scene pending further review of the statements and the damage evidence.
