Our client: Samantha Wilson
Date of loss: 12 Mar 2024

Dear Claims Representative:

This firm represents the above-named individual in connection with injuries sustained in a side-impact collision at an intersection involving a vehicle insured under your policy. Please direct all further communication regarding this matter to our office and do not contact our client directly, whether by telephone, mail, or in person.

Please provide, within the time permitted under applicable law, a certified copy of the declarations page for the policy in question, together with the full liability limits applicable to the insured driver and vehicle, including any excess or umbrella coverage that may apply.

We also demand that your company preserve all evidence relating to this incident. This includes the claim file, photographs, recorded statements, telematics or event data recorder information, repair and total-loss records, witness statements, and all communications with the insured or any third party. Any destruction or alteration of such materials will be treated as spoliation.

We look forward to your prompt written acknowledgment of this letter.

Sincerely,
