Recorded Statement

Claim number:	C-1420
Statement of:	Adrienne Morales
Taken by:	Valerie Rodriguez
Date:	2023-03-13

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but you can use the claim reference.

Q: That's fine. Can you tell me where you were when the collision occurred?

A: I was driving through the intersection in Baytown, Texas, heading east on the main road. The light had just turned green for me.

Q: And what happened next?

A: A pickup coming from the cross street on my right didn't stop. It came straight into the side of my car, right behind the driver's door.

Q: Did you see the pickup before the impact?

A: Only for a second. I caught a glimpse of it and tried to brake, but there wasn't time.

Q: Were you able to drive your vehicle from the scene?

A: No. The airbags went off and the car wouldn't handle right, so a tow truck took it away.

Q: Did you receive any medical attention?

A: The paramedics checked me at the scene. I went to the emergency room later that afternoon because my neck was really stiff.

Q: Can you describe your injuries?

A: I have a neck strain. It hurts when I turn my head, and I get headaches by the end of the day. I've been told to rest it and take muscle relaxers.

Q: Have you had any prior neck or back problems?

A: No, nothing that required treatment. I was healthy before this.

Q: Have you missed any work because of the injury?

A: Yes, a few days so far. My doctor has me on light duty for the next couple of weeks.

Q: Is there anything else you'd like to add to your statement?

A: Only that I was following the traffic signal and I believe the other driver was at fault for not yielding.

Q: Thank you. This concludes the statement.

A: Thank you.
