Recorded Statement

Claim number:	C-1425
Statement of:	Grace Perry
Taken by:	Jerry Hanson
Date:	4-28-23

Q: Thank you for taking the time to speak with me today. This recorded statement concerns the collision you were involved in at an intersection in League City, Texas. Please state your full name for the record.

A: [Full name withheld], and I'm the driver of the blue sedan involved in the accident.

Q: Thank you. Can you walk me through what happened as you approached the intersection?

A: I was traveling on the main road and had a green light. I wanted to turn left onto the cross street, so I slowed down and waited for a gap in oncoming traffic.

Q: How long did you wait before proceeding?

A: It felt like a few seconds. There was a car coming toward me, but it looked far enough away, so I started my turn.

Q: What happened next?

A: The other vehicle came through much faster than I expected. It struck the front passenger side of my car. My car spun a bit and stopped against the curb.

Q: Did you see the other vehicle's signal or speed before you turned?

A: No, I don't think I could tell. It was coming through the intersection quickly, and I didn't have a claer view until I was already in the turn.

Q: Were you injured in the collision?

A: Yes. My right shoulder hit the door and seatbelt pretty hard. I've had pain and limited movement in it since then, and I've been seeing a doctor about it.

Q: Have you received any medical treatment or been advised on follow-up care?

A: I was checked at the scene and then seen by my physician. They ordered imaging and physical therapy, and I'm still going through that.

Q: Thank you. Is there anything else you'd like to add to your statement?

A: Only that I was trying to follow the rules and proceed safely. I'm hoping this can be resolved quickly because the shoulder is making it hard to work.

Q: Thank you for your cooperation. This concludes the recorded statement.
