Claim Notes

Claim number:	C-1436
Claimant:	Justin Lindsey
Adjuster:	Chelsea Hebert

04/20/2024 - Claim opened following a rear-end collision at a signalized intersection. Insured vehicle was stopped at the light when struck from behind by a third-party vehicle. Police report requested. Insured reports neck stiffness and no airbag deployment. Photos of both vehicles uploaded to file.

04/27/2024 - Third-party carrier acknowledged liability coverage review. Claimant is now represented by counsel; all further contact to go through the attorney's office. Letter of representation received and logged. Future medical reocrds and wage information to be requested through counsel.

05/05/2024 - Claimant reports right knee injury from the impact, with pain on bending and swelling noted in a medical summary received from counsel. Treating physician has recommended imaging and physical therapy. Records request sent. Reserve reviewed and increased to reflect possible orthopedic treatment.

05/11/2024 - Independent medcial review scheduled per file procedure. Vehicle repair estimate received and reviewed against photos; damage consitsent with reported impact speed. Supervisor notified that claimant's attorney has requested a settlement conference once treatment is complete. No settlement offer to be made until records are in hand.

05/15/2024 - MRI results received through counsel and reviewed. Findings show a partial meniscus tear in the right knee, consistent with the reported mechanism of injury. Claim file flagged for bodily injury evaluation. Adjuster to coordinate with claims supervisor before any demand response is prepared.

Recorded Statement

Claim number:	C-1436
Statement of:	Justin Lindsey
Taken by:	Chelsea Hebert
Date:	04/22/2024

Q: Thank you for taking the time to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my full name on a recording, but you can use the claim reference.

Q: That's fine. Can you tell me where you were when the collision happened?

A: I was driving on a main road in Sugar Land, heading toward the shopping center. Traffic had slowed down ahead of me, so I had come to a stop at a light.

Q: What happened next?

A: The car behind me didn't stop in time. I felt a hard jolt from the back and my head snapped forward, then back against the seat.

Q: Did you have your seatbelt on?

A: Yes, I always do.

Q: Did the airbags deploy in your vehicle?

A: No, they didn't. The car was drivable at first, but it wasn't comfortable.

Q: Were you able to get out of the vehicle on your own?

A: I got out, but my right knee was throbbing. It hit the dashboard when I was thrown forward. I could walk, but with a limp.

Q: Have you sought medical treatment since the accident?

A: Yes, I went to an urgent care clinic that same day. They took X-rays and told me to follow up with an orthopedic doctor because of the swelling.

Q: Are you still experiencing pain or limited movement?

A: Yes. Stairs are hard, and I can't kneel the way I used to. I've been using a brace when I go out.

Q: Thank you. Is there anything else you'd like to add to your statement?

A: Only that I'm cooperating fully and I'd appreciate a prompt response on the claim.

Q: Thank you. This concludes the recorded statement.
