Recorded Statement

Claim number:	C-1445
Statement of:	Jeffrey Andrews
Taken by:	Darin Tyler
Date:	20 Nov 2023

Q: Thank you for agreeing to give this recorded statement. Please state your full name for the record.

A: I'd rather not give my name on a recording, but you can note that I'm the driver of the vehicle that was rear-ended.

Q: That's fine. Can you tell me where the collision happened?

A: It was on a main road in Baytown, Texas, near a shopping center. I was stopped at a red light when it happened.

Q: Describe what you remember about the impact.

A: I was sitting at the light, waiting for it to change. Next thing I knew, there was a loud bang and my car lurched forward. I grabbed the steering wheel with both hands and my right wrist took most of the force.

Q: Were you wearing your seatbelt?

A: Yes, I was. The airbag didn't deploy, but the belt locked up hard across my chest.

Q: Did you get out of the vehicle at the scene?

A: I did, though I was shaky. The other driver came over and said he hadn't seen the light change in time. A police officer arrived and took a report.

Q: What injuries have you experienced since the accident?

A: My right wrist was swollen and really painful right away. I went to the emergency room that evening, and they took X-rays. The doctor told me it's a fracture, and I have a cast on it now.

Q: Have you missed any work because of the injury?

A: Yes, I'm a delivery driver, so I can't work with a cast like this. I've been off work since the accident, and I'm still waiting on a follow-up appointment with an orthopedic specialist.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm following my doctor's instructions and I'm willing to provide my medical records. I just want this handled fairly.

Q: Thank you. This concludes the recorded statement.

A: Thank you.
