Officer's narrative

Driver 1 was stopped in the left lane of eastbound traffic on Broadway Street in Pearland, Texas, waiting for a signal to change. Driver 2 was traveling directly behind Driver 1 and did not stop in time, striking the rear of Driver 1's vehicle at a low rate of speed. Driver 2 stated that the vehicle ahead stopped suddenly and that a momenatry distraction with the raido contributed to the delay in braking. Driver 1 remained behind the wheel and reported pain in the neck and upper back. A Passenger seated in the rear of Driver 1's vehicle reported no injuries. Both vehicles sustained visible rear and front bumper damage and were driven from the scene. Driver 1 was evaluated on scene by Pearland Fire Department personnel and declined transport. Driver 2 was issued a citation for failure to control speed. No other vehicles or pedestrians were involved.
