Claim number:	C-1452
Statement of:	Stephanie Conley
Taken by:	Jerry Hanson
Date:	29 Jul 2024

Q: Thank you for taking the time to give this recorded statement. Please state your full name for the record.

A: I'd rather just keep it to my first name for now, if that's okay.

Q: That's fine. Can you tell me where you were when the collision occurred?

A: I was in a parking lot in League City, Texas, at a shopping center. I was pulling into a space near the entrance.

Q: What were you doing right before the impact?

A: I was going slow, maybe five or ten miles an hour, looking for an open spot. Another car backed out from the row next to me and clipped the rear quarter panel of my vehicle.

Q: Did you see the other vehicle before it hit you?

A: Not really. I heard a horn and then felt the bump. By then it was already too late to stop.

Q: Did you or the other driver exchange information?

A: Yes, we swapped insurance cards and phone numbers. The other driver said they didn't see me coming.

Q: Were you injured in the collision?

A: My neck and lower back hurt right away. It's a stiff, sore kind of pain. I had some tightness in my shoulders too, but it's mostly the neck and back.

Q: Have you sought medical treatment since the collision?

A: Yes, I went to urgent care the same afternoon and they diagnosed me with a neck and back strain. I've been doing physical therapy twice a week since then.

Q: Have you missed any work because of your injuries?

A: I missed a couple of days and I've been limiting how much I lift and sit at my desk. I'm still having some discomfort.

Q: Is there anything else you'd like to add to your statement?

A: No, I think that covers it. I'm willing to provide my medical records if you need them.

Q: Thank you. This conclueds the recorded statement.
