Date:	4 Nov 2024

Q: Thank you for agreeing to give a recorded statement. Please state your full name for the record.

A: I'd rather just keep it to the accident, if that's okay.

Q: That's fine, we'll note that you've been identified. Can you tell me where the accident happened?

A: It was on the access road near the shopping center in Sugar Land, Texas, going toward the highway.

Q: Were you the driver of the vehicle you were operating at the time?

A: Yes, I was driving my own car.

Q: Walk me through what happened.

A: I was moving over one lane to make my exit. I checked my mirror and saw nothing right beside me, so I signaled and started to merge. Then I felt a bump and heard scraping along the right side of my car. The other vehicle had been in my blind spot and was coming up on my side.

Q: Did you see the other vehicle before the contact?

A: No, I didn't see it until after we touched. I wish I had looked over my shoulder one more time.

Q: Were you injured?

A: Yes, my lower back. I felt a sharp pull when I turned to look at the damage, and it has been sore since.

Q: Have you sought medical treatment?

A: I went to an uregnt care clinic the same day. They said it looked like a back strain and gave me muscle relaxers and told me to rest.

Q: Are you still experiencing pain?

A: Yes, it's better in the mornings but stiff after sitting for a while. Lifting is hard right now.

Q: Did anyone else in your vehicle get hurt?

A: No, I was alone.

Q: Is there anything else you'd like to add to your statement?

A: Only that I'm willing to cooperate fully and provide any records you need.

Q: Thank you. This concludes the statement.

A: Thank you.
