Re: Claim C-1454
Our client: Catherine Baxter
Date of loss: 2024-10-27

Dear Claims Representative:

I represent the injured party in connection with the sideswipe collision that occurred while your insured was changing lanes. Please direct all further communication regarding this matter to this office and do not contcat our client directly, whether by telephone, in writing, or in person. If your insured or any representative of your company has already been in contact with our client, please let us know so that we can address that contact.

Please provide the bodily injury liability limits of the policy in force at the time of the accident, along with a certified copy of the declarations page. We also ask that your company preserve all evidence relating to this loss, including the claim file, photographs, recorded statements, vehicle data, repair estimates, dash camera footage, and any communications with the insured or third parties.

Our client's injuries and damages are still being evaluated, and we will provide a full demand once that assessment is complete. Until then, we request that no settlement offers or releases be sent to our client without first notifying this office.

Sincerely,

Stacy Jones
