Recorded Statement

Claim number:	C-1464
Statement of:	Jessica Thomas
Taken by:	Chelsea Hebert
Date:	21 Jul 2023

Q: Thank you for taking the time to give this recorded statement. Please state your full name for the record.

A: I'd rather just leave that out of the recording, if that's okay.

Q: That's fine. Can you tell me where you were when the collision occurred?

A: I was driving on the main road in League City, heading toward the shopping center. Traffic had slowed down ahead of me, so I was stopped at a light.

Q: What happened next?

A: The car behind me didn't stop in time. I felt a hard jolt from behind and my head snapped forward and then back against the seat.

Q: Did you get out of your vehicle at the scene?

A: Yes, but I didn't feel right. My lower back was hurting and I had a stiff feeling in my neck.

Q: Did you seek medical attention?

A: I went to an urgent care clinic later that day. They checked me over and said I had a back strain. They gave me some muscle relaxers and told me to rest.

Q: Have you had any follow-up treatment since then?

A: I've been going to physical therapy twice a week. The pain comes and goes, and it's worse when I sit for long periods or lift anything heavy.

Q: Were you able to keep working after the accident?

A: I've had to take some time off. Sitting at my desk for a full day makes the back pain much worse.

Q: Is there anything else you think I should know about the collision?

A: Only that I was stopped completely when it happened. I wasn't on my phone or doing anything unusual. I just want to get better and get this settled.

Q: Thank you. I'll follow up with you about your medical records and any documentation for missed work.

A: Okay, thank you.
