Claim Notes

Claim number:	C-1466
Claimant:	Timothy Perez
Adjuster:	Jerry Hanson

2024-11-08 - Claim received by pohne from the claimant regarding a rear-end collision at a signalized intersection. Claimant reports stopping at a red light when their vehicle was struck from behind. Reports neck strain and stiffness, treated at urgent care the same day. Claimant is not represented by an attorney. Liability appears clear based on initial description. Opened file and requested the police report number.

2024-11-10 - Police report obtained. Responding officer documented the other driver's statement that they looked away from the road briefly. Both vehicles drivable from scene, no airbag deployment noted. Photos of both vehicles received from claimant and reviewed. Damage to rear bumper and trunk area on claimant's vehicle is consistent with the reported impact. Estimate requested from preferred body shop.

2024-11-12 - Spoke with claimant to confirm medical treatment details. Urgent care records received, showing diagnosis of cervical strain with prescribed muscle relaxants and a recommendation for physical therapy. Claimant asked what the claims process involves and whether they need to hire a lawyer. Explained that they are free to choose representation and that I can only provide information about our process, not legal advice. Claimant said they will think about it.

2024-11-16 - Repair estimate rceeived and reviewed. Shop reports parts are on order and estimated repair time is about two weeks. Rental vehicle coverage confirmed under claimant's polciy and rental arranged. Claimant reports neck pain is ongoing but improving. Physical therapy appointments scheduled. Requested itemized medical bills and records from the treating provider.

2024-11-23 - Medical records and first bill received. Reviewed for consistency with reported injury and treatment dates. No prior clamis found on claimant's history in the database. Sent written update to the claimant describing next steps, including the expected timeline for the injury evaluation. Set diary reminder to follow up after physical therapy progress notes arrive.

Recorded Statement

Claim number:	C-1466
Statement of:	Timothy Perez
Taken by:	Jerry Hanson
Date:	2024-11-05

Q: Thank you for taking the time to give this recorded statement. Before we begin, do you consent to this conversation being recorded?

A: Yes, I consent.

Q: Please state the location where the accident occurred.

A: It was on a main road in Sugar Land, Texas, near a shopping center entrance. I was stopped at a red light in the right lane.

Q: What were you doing just before the impact?

A: I was waiting for the light to change. I had my foot on the brake and I was fully stopped.

Q: Tell me what happened next.

A: I felt a hard jolt from behind. My head snapped forward and then back against the headrest. The other driver's vehicle hit the rear of my car.

Q: Did you see the other vehicle before the impact?

A: Not really. I saw it in my mirror for a second, but it was going too fast to stop in time.

Q: Did you get out of your vehicle at the scene?

A: Yes, I got out to check on the other driver. Both of us were okay, and we exchanged information.

Q: Have you sought medical attention since the accident?

A: Yes, I went to urgent care the same day. They diagnosed me with a neck strain and gave me muscle relaxers and a referral to a physical therapist.

Q: Are you currently experiencing any symptoms?

A: Yes, I have stiffness in my neck, and turning my head to the left hurts. I also get headaches sometimes in the afternoon.

Q: Have you missed any work because of your injuries?

A: I took two days off to rest, and I have been working on a limited schedule since then.

Q: Is there anything else you would like to add to this statement?

A: No, I think that covers it. I will provide the urgent care records and any physical therapy bills as I receive them.

Q: Thank you. This cnocludes the rceorded statement.
