Claim Notes

Claim number:	C-1473
Claimant:	Debbie Williams
Adjuster:	Chelsea Hebert

12/24/2023 - Reviewed first notice of loss. Insured reports vehicle was struck while turning left at an intersection. Other driver's vehicle appears to have been proceeding straight through on the green signal. Police report requested. No lawyer identified for the claimant at this time.

01/02/2024 - Spoke with claimant by phone. Claimant reports neck and back pain following the collision and says she was evaluated at an urgent care facility. Clamiant is not represented and asked how the claim process works. Explained the general steps and that medical documentation will be needed. Requested copies of all treatment records and bills.

01/10/2024 - Received photos of both vehicles from insured and claimant. Damage to the left front of insured vehicle and the right side of claimant vehicle is consistent with the reported angle of impact. Vehicle inspection scheduled with appraiser. Witness statement from pedestrian at corner obtained and placed in file.

01/14/2024 - Traffic signal timing records for the intersection requested from the municipality. Insured's statement on the left turn is consistent with the initial report, though insured states the oncoming vehicle was not visible until the last moment. Liability currently leaning toward the insured based on available evidence. Supervisor notified for review.

01/19/2024 - Claimant provided medical records showing diagnosis of cervical and lumbar strain with recommended physical therapy. Reviewed records and documented injury for evaluation. Claimant still unrepresented and has been advised she may consult an attorney if she wishes. Reserve reviewed and adjusted pending further treatment information. Follow-up call scheduled.

Recorded Statement

Claim number:	C-1473
Statement of:	Debbie Williams
Taken by:	Chelsea Hebert
Date:	12/27/2023

Q: Thank you for agreeing to give this recorded statement. Please state whether you consent to having this conversation recorded.

A: Yes, I consent.

Q: Can you describe where you were when the collision happened?

A: I was driving east on a road in Katy, Texas, and I was turning left into a shopping center parking lot. I had my blinker on and was waiting for a gap in oncoming traffic.

Q: What happened next?

A: A vehicle coming from the opposite direction hit the front driver's side of my car. I didn't see it coming fast enough to avoid it. I felt a hard jolt and my car spun a little before stopping.

Q: Were you injured at the scene?

A: I was sore right away. My neck snapped back and forth, and my lower back hurt. I didn't think it was serious at first, but by that evening the pain was worse.

Q: Did you receive any medical treatment?

A: Yes, I went to an urgent care clinic the next day. They diagnosed me with a neck strain and a lower back strain and gave me muscle relaxers and a referral to physical therapy.

Q: Are you still experiencing symptoms?

A: Yes. I have stiffness when I turn my head, and I can't sit for long periods without my back aching. I've missed a few days of work because of it.

Q: Was anyone else in your vehicle?

A: No, I was alone.

Q: Is there anything you'd like to add to your statement?

A: Only that I was being careful and had stopped before I started my turn. I'm hoping this gets resolved so I can get my treatment covered.

Q: Thank you. This concludes the recorded statement.

A: Thank you.
