Q: Thanks for taking the time to speak with me today. This recording is for claim purposes only. Can you please state your full name for the record?

A: Sure. I'd rather keep my name off the recording, if that's okay. I'm the driver of the blue sedan involved in the collision.

Q: That works. Can you walk me through what happened at the intersection?

A: I was making a left turn at the light, heading toward the shopping center. The light had turned yellow and I was clearing the intersection when a pickup coming from the opposite direction hit the front passenger side of my car.

Q: Were you going straight or turning when the light changed?

A: I was turning. I waited for a gap in oncoming traffic, and I thought the pickup was far enough back. I'm still not sure how I misjudged it.

Q: Did you see a signal for the pickup?

A: I believe it had a green light. I'm not certain, honestly, because the sun was low and it was hard to see the signals clearly.

Q: How are you feeling physically since the accident?

A: My right shoulder is pretty sore. I hit the seatbelt pretty hard, and it's been hurting when I lift anything or reach across my body. I went to urgent care the same day, and they told me to follow up with my doctor.

Q: Have you seen your doctor since then?

A: Yes, I have an appointment scheduled next week for an evaluation and possibly imaging.

Q: Thank you. Is there anything else you'd like to add before we wrap up?

A: No, I think that covers it. I'd appreciate hearing back on the next steps.

Q: We'll be in touch. Thank you for your time today.
