Recorded Statement

Claim number:	C-1491
Statement of:	Joe Bentley
Taken by:	Darin Tyler
Date:	14 Feb 2023

Q: Please state your full name for the record.

A: I'd rather just say I'm the driver of the blue sedan, if that's all right.

Q: That's fine. Can you describe where you were when the collision happened?

A: I was heading through the intersection on a green light, going straight through. The other car came from my right side, from the cross street.

Q: How fast were you traveling?

A: Not fast. Maybe the posted speed, somewhere around there. I'd just cleared the crosswalk.

Q: Did you see the other vehicle before impact?

A: Only a second before. I hit the brakes but there wasn't time. It hit my passenger side, the front door area.

Q: Were you wearing your seatbelt?

A: Yes, and the airbag on my side deployed.

Q: Did you receive medical attention after the collision?

A: An ambulance took me to the emergency room. They checked my neck and back and said I had strains in both areas.

Q: Are you currently experiencing any symptoms?

A: Yes. My neck is stiff, especially when I turn to check mirrors, and my lower back aches after sitting more than twenty minutes. I've been going to physical therapy twice a week.

Q: Have you missed any work because of the injuries?

A: A few days so far. My doctor has me on light duty for now.

Q: Is there anything else you'd like to add to your statement?

A: Only that I didn't run the light. I was doing what I was supposed to do.

Q: Thank you. This concludes the recorded statement.

A: Okay, thank you.
